

Le monstre des couleurs va en soirée

Pyjama!

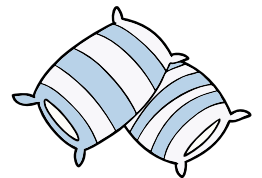

La petite fille invite le monstre pour une soirée pyjama. Ils vont bien s'amuser: manger des sucreries, regarder un film, jouer dans la chambre de la petite fille et plein d'autres choses. Mais il faut que le monstre se prépare pour que tout se passe bien!

Matériel:

- 6 Peluches du monstre des couleurs
- 6 petits pochons
- 6 brosses à dents
- 6 dentifrices
- 6 ours en peluche
- 6 Veilleuses
- 6 paires de chaussons (12 chaussons séparés)

Déroulement

Il y a plusieurs possibilités selon le niveau de difficulté:

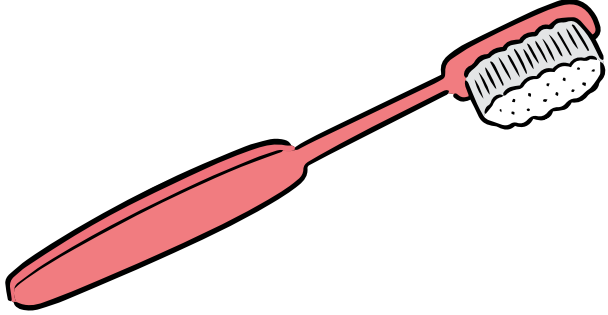

- 1)** L'enseignante donne les consignes à l'oral ("Le monstre à besoin d'une brosse à dent etc.")
- 2)** L'enseignante montre des cartes pour désigner la quantité
- 3)** L'enseignante écrit sur le bon de commande ce dont le monstre à besoin.

L'histoire est la même, l'enseignante peut choisir de demander à l'élève de préparer les affaires pour 1 seul monstre ou plusieurs (jusqu'à 6).

Les difficultés augmentent en fonction du nombres de monstres choisis, et du bon de commande sélectionné (3 bons de commande différents)
